

# Are you healthy and aged over 18?

**If so, and you are interested in medical research, you may be eligible to participate in the DEFINE study!**

**For more information please contact our research team:**

**Contact: Dr Petra Sulentic**

**E-mail: [ps743@medschl.cam.ac.uk](mailto:ps743@medschl.cam.ac.uk)**

**Tel: 01223 926590**

The DEFINE study involves a number of visits to Addenbrooke's Hospital, Cambridge. You will be reimbursed for your time and inconvenience on a pro-rata basis from £10 - £50 per visit (dependent on the sub-study, type and number of visits you complete)

A series of pilot studies to evaluate the haemodynamic and metabolic effects of apelin and relaxin in healthy humans, subjects with increased weight and patients with type 2 diabetes mellitus (DEFINE)
